Dear Prospective Candidate

Thank you for taking the time to look at our web page. I am delighted that you are considering applying for one of our vacancies.

Traill International School was founded over 50 years ago by 2 visionaries, Mr and Mrs Anthony Murray Traill. They wanted to build and develop a school which not only provided a first class British education but also a safe and caring environment for its students to thrive in. Today the school is just that, which makes it such a wonderful place to work.

The school caters for students from 2 ½ years old to 18 years old and the walls are literally bursting at the seams with talent from academics to sporting champions. An incredible 35 nationalities are represented in the student body which currently numbers approximately 460.

We have a rolling improvement and expansion plan which ensures that our facilities keep up with advances in technology. We are the process of adding further science laboratories, a lecture theatre, classrooms as well as an additional multi-purpose hall.

If you are the type of teacher who is highly motivated and prepared to invest their time in their students, then Traill International School may be the place you are looking for.

I look forward to receiving your application.

Yours faithfully,

*Gordon Espley-Jones.*

Gordon Espley-Jones  
Principal
