

## **ALCOHOL AND DRUG ABUSE BY STUDENTS**

### **Alcohol Abuse**

The use or possession, buying or selling, or giving of alcohol beverages by any student of the School on its campus, immediate environs or during School-sponsored activities is prohibited. Any student who is suspected of violating this policy shall be immediately suspended. If it is determined after investigation by the Administration that the student was under the influence (or was in possession of) alcoholic beverages, the student's parents or guardians may be requested to withdraw their child from the school.

### **Drug Abuse**

The unlawful use or possession of, buying or selling of, giving of or trafficking in narcotics, stimulants, barbiturates, suppressants, hallucinogenic drugs, marijuana or any other dangerous drug by any student of the School on its campus, in its immediate environs, or during School-sponsored activities is prohibited. Any student who is suspected of violating this policy shall be immediately suspended from the School. If it is determined after investigation by the Administration that the student was using, or was under the influence of, or was in possession of illicit drugs, the student's parents will be asked to withdraw their child from School. The Administration is authorized to conduct random and ad hoc screening and detection programmes of School students. Regulations and procedures to implement this policy, as approved by the Board, shall be published in the Parents' and Students' Handbooks.
